Academic Standards of Satisfactory Progress (Academic Warning, Academic Probation, Academic Suspension)

Policy Statement:

- II. Any student who does not achieve a GPA of 2.0 or higher in a term will be placed on academic warning. To be removed from academic warning, a student must achieve a cumulative GPA of 2.0 or higher in the next term.
- III. Any student who fails to achieve a term GPA of 2.0 or higher for two successive terms will be placed on academic probation. To be removed from academic probation, a student must achieve a cumulative GPA of 2.0 or higher.
- IV. Any student on academic probation who earns less than a 2.0 GPA for two successive terms will be placed on academic suspension for the following term of enrollment (Fall, Spring, or Summer). During this time, the student may register for continuing education courses only.
- V. Upon written request by the student, readmission may be granted by a Dean of Students or designee. If permitted to return to Valencia, the student will remain in academic probationary status and must achieve a 2.0 GPA or higher for each term.

- II. While on academic probation, a student must meet with a student affairs staff member and may register only after receiving approval of his/her proposed schedule.

Readmission decisions are based on the Dean's or designee's judgment that the student has made sufficient changes in his/her commitment to college. If permitted to return, the student will remain in academic probationary status and must meet with a student affairs staff member to complete an academic readmission plan, have courses approved before registering each term, and must achieve a term GPA of 2.0 or higher each term of enrollment until an overall GPA of 2.0 is obtained.
